AIN'T NO MOUNTAIN HIGH ENOUGH

AIN'T NO MOUNTAIN HIGH ENOUGH

Dreaming of a new bike?

Some people want it to happen, some wish it would happen and others MAKE IT HAPPEN.

talk to IJG today...
so we can let us make your money work for you.

CASH OR CREDIT?

Consider buying a bike valued at NS\$50,000 on credit;
at 0% over a 30 month term you would pay NS\$1,875 per month, with a total repayment of NS\$56,250.

or you save those payments at an annual rate of 15%* over the same period
you could have enough to buy the bike cash after 23 months.
If the 30 terms are over you would have saved an additional NS\$13,800 towards your next bike.

*you continue the cycle of saving, you can have a new bike every 23 months.
